- Slow Food stalls had been held at the Edinburgh Farmers Market on the themes of Spring Seasonal vegetables; Finnie Haddock; Autumn Seasonal Food; The Ploughman's Lunch; Barra Snails; Pumpkins (as part of the Zero waste programme); a spicy Valentine risotto and Ways with Smoked Fish. A successful pop-up market lunch was held in August in support of the Edinburgh Festival.
- We had a presence at the **Power of Food Festival** at the Royal Botanic Gardens in July when we demonstrated the Ark of Taste and ran a Taste Adventure for children.

- Over five days in the last week of July 2017 we contributed to the Edinburgh Food Festival (Assembly George Square) with a range of activities of which two stand out – a display of Scotland's Grains – “Our Daily Bread” and a daily cookery demonstration when The Chef Alliance meets the Ark of Taste.
- We started our fundraising programme for the Kimashuku Garden, Tanzania, as part of the Slow Food for Africa 10,000 gardens campaign. A successful Tanzanian evening was held at First Coast restaurant in May 2017 and in the New Year the proceeds from the Contini event were donated to the appeal.

#### Membership

As of 1<sup>st</sup> April 2018 the convivium had 137 members compared with 150 for the previous year. The membership comprises 57 Individual, 70 Family, 6 Concession, 4 Patron Individual

#### **4. Statement of Accounts**

In the absence of a permanent treasurer Martin Ashing assumed a caretaker role in overseeing the accounts. With an income of £1493 and an expenditure of £1582 the group made a slight deficit in year. Subscriptions income was markedly down from Slow Food in the UK but income was received from some of our activities including the Farmers market Pop-up lunch. The main areas of expenditure were the Edinburgh Food Festival and the AGM. Running expenses through the year were minimal with all activities covering their own costs. During the year £332 was raised for the 10,000 Gardens for Africa appeal.

#### **5. Communications**

Working from a distance our communications officer Kasia produced a splendid series of monthly newsletters which have latterly included recipes featuring Ark of taste products and profiles of Chef Alliance members. A re-vamp of the website took place towards the end of the current business year.

## **6. Election of Officers and Committee**

Having indicated their availability to re-stand for election, the positions of Lisa Bertrand (leader) and Andrew Marsden (Secretary) were endorsed. Stephen Brown who had been co-opted in year was approved as Treasurer.

Peter Mountford-Smith, Mike Wilson, Steve Brown and Eleonora Vanello agreed to continue as members of the committee.

With Kasia and Amy Rankine having indicated their intention to stand down, this left two vacancies on the committee – Lisa called for volunteers who would be willing to serve as co-opted members.

Lisa thanked current and retiring committee members, convivium members who had volunteered during the course of the year and, in particular, members of the Chef Alliance in Edinburgh who had supported the group.

## **7 AOCB**

There were no items of other business.

## **8. Closure**

At the end of the formal proceedings the film Slow Food Story was shown to the gathering.
